**PLAINTIFFS' RESPONSE TO DR. AGER'S REQUEST FOR  
ADJOURNMENT**

Plaintiffs oppose the request. First, the new law firm has plenty of time to review the file, and any lawyer for that firm may appear. Second, this case has dragged on partly because it is soooo difficult to find a date fitting everyone's schedule. Another adjournment will require the date-picking process to be repeated and the case dragged out again. Third, Dr. Ager's position is identical to the position of the other doctor defendants; the arguments he will assert at the hearing and has asserted in his briefs duplicate the arguments of the other doctor defendants, so prejudice resulting from having fresh counsel two weeks from now is minimal or none.

Respectfully submitted,

MARSHALL LASSER, P.C.
